**ORDER**

**ROBERT W. LEHRBURGER, United States Magistrate Judge.**

This order resolves Plaintiffs' request at Dkt. 30 for a pre-motion conference for leave to amend. Plaintiffs request a conference to discuss a motion to amend to add two plaintiffs as parties. Defendants oppose. The Court has considered all submissions and finds that no conference is necessary. Plaintiffs may proceed with filing the amended complaint. To be clear, this grant of leave does not address and has no bearing on the parties' arguments regarding whether this action may proceed as a class action or the viability of plaintiffs' claims or defendants' defenses. The request for a pre-motion conference is denied as moot.

SO ORDERED.

A handwritten signature in black ink, appearing to read "R. Lehrburger".
